

# Timber Lake Tours

## Fish for a Legend

### Legends Pass

#### Overview

This pass is aimed at individuals and groups of anglers who wish to fish Timber Lake on an ongoing basis for twelve months. The Pass has been designed for maximum flexibility of the pass holder(s) whilst reducing cost to an absolute minimum.

#### Who can buy a pass?

The pass can be purchased by an individual or a group of up to 4 anglers. At least one of the anglers purchasing the pass must have been to Timber Lake previously.

#### What do we get?

This pass gives the pass holder(s), family and friends the ability to fish the lake for 4 people-days each month for twelve months. One person day represents one angler at the lake for 24 hours.

Each trip must have a minimum of 2 people. If a particular trip has only one participant, the trip will count as if two people attended.

Examples of how the tours could be used

Tours	People-days	Comment
2 people X 2 days	4 people-days	This could be 2 x 24 hour tours or a single 48 hour tour
4 people X 1 day	4 people-days	This is a single 24 hour tour for 4 people

If there are trips left over at the end of the month, those trips are forfeited and cannot be transferred to another month.

#### Who can go on a trip?

The pass enables any (or all) of the pass holders to attend a trip. Also, the pass holder(s) may invite family and friends. If your trip includes more than 4 people, extra people will be charged at \$90 per person per day.

One of the people named on the Pass must be present on each trip.

#### Pass Value

The pass has greatest value if you were to take a 2 person trip for 24 hours twice a month, each month of the year. In these circumstances, the pass value is  $\$350 \times 24 \text{ tours} = \$8400$

The pass at its smallest value (assuming you use all tours) occurs if you were to take a 4 person trip once per month. In these circumstances, the pass value is  $\$585 \times 12 = \$7020$ .

#### Cost

Cost of the Yearly Pass is only \$2000 - A saving of up to 76%;  
Even if you only use half the trips, you are getting a saving of up to 52%.

#### Notes

1. The pass is not transferable to other parties. Those named on the pass remain the owners of the pass for the duration of the pass except in extenuating circumstances (seriously ill or injured, etc).
2. Tours or parts of tours represented by this pass may not be advertised or re-sold publicly under any circumstances.
3. The pass covers Base Cost only; Guiding, Equipment and Boat Hire are extra – see the 2008 Pricelist for more information on the cost of extras.
